

Fléa pendant

 Collection: Fléa

 Designer: Émilie Cathelineau

A collection inspired by the iconic jazz artist, the Louis pendants and Fléa wall lights play with lighting effects on the glass and the brass. Adjustable, you can arrange the “trumpets” as you wish.

It is possible to cluster several pendants from one single canopy, either rectangular or circular. The rectangular canopy can be custom-made into any size to suit your requirements. As for the circular canopy, available sizes are illustrated above. Please contact us for further information. The standard height of the cables is 2 meters (79”). It can be adjusted to to less during installation. Custom heights available upon request.
