**Fr** Fondée en 1960 sur une passion pour la lumière et les matériaux nobles, CVL Luminaires perpétue une expertise artisanale d'exception. L'entreprise conçoit et fabrique des luminaires haut de gamme en laiton, entièrement réalisés à la main dans ses ateliers près d'Angers. Entreprise familiale à taille humaine, elle associe savoir-faire artisanal et innovation et collabore avec des designers de renom pour proposer des designs exclusifs : Hervé Langlais, Pauline Deltour, Pool, Sylvain Willenz, ou plus récemment, José Lévy et Jean-Baptiste Fastrez.

Le bureau d'étude assure le développement des nouvelles collections de l'idée initiale à la fabrication. Il accompagne également les clients prescripteurs dans leurs besoins spécifiques de luminaires "sur mesure".

CVL Luminaires adopte une démarche responsable alliant savoir-faire, innovation et respect de l'environnement. L'entreprise s'engage à minimiser son impact écologique, à garantir des conditions de travail optimales et à promouvoir une fabrication durable et éthique.

Entreprise labellisée Entreprise du Patrimoine Vivant, CVL Luminaires exporte son savoir-faire vers plus de cinquante pays. Ses luminaires sont intégrés dans des projets prestigieux, aussi bien résidentiels qu'hôtelières ou tertiaires, sur les cinq continents.

**En** Founded in 1960 out of a passion for light and noble materials, CVL Luminaires continues to uphold exceptional artisanal expertise. The company designs and manufactures high-end brass lighting fixtures, entirely handcrafted in its workshops near Angers. As a family-owned, human-sized company, it combines traditional craftsmanship with innovation and collaborates with renowned designers, including Hervé Langlais, Pauline Deltour, Pool, Sylvain Willenz, and more recently, José Lévy and Jean-Baptiste Fastrez, to create exclusive designs.

The design office manages the development of new collections, from the initial idea to production. It also supports specifier clients in their particular needs for bespoke lighting solutions.

CVL Luminaires follows a responsible approach, blending craftsmanship, innovation, and environmental respect. The company is committed to minimizing its ecological footprint, ensuring optimal working conditions, and promoting sustainable and ethical manufacturing.

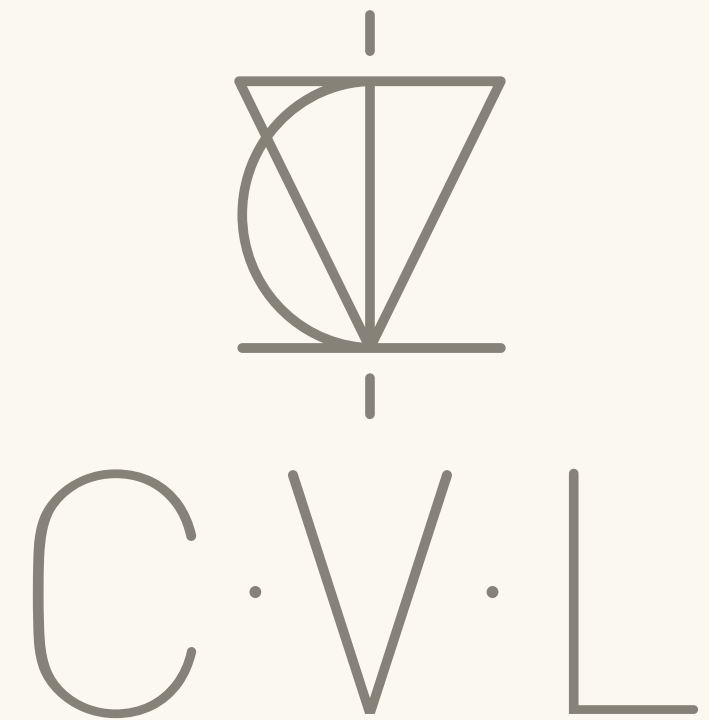

Certified as a «Living Heritage Company,» CVL Luminaires exports its know-how to over fifty countries. Its lighting fixtures are featured in prestigious projects, both residential and hospitality, as well as commercial, across all five continents.
