

## CARTA

Minimaliste et fonctionnelle, Carta s'impose par son design intemporel et sa finesse maîtrisée. Son tube lumineux pivote à 360° sans butée, offrant une liberté d'orientation infinie. Aguerrie à un usage intensif, elle incarne l'élégance durable selon CVL.

Minimalist and functional, Carta stands out for its timeless design and refined elegance. Its luminous tube rotates 360° without restriction, offering infinite freedom of orientation. Built to withstand intensive use, it embodies CVL's vision of lasting elegance.
