

## LES CLOPES

DESIGNED BY JOSÉ LÉVY

*Les Clopes* se compose de lampadaires et lampes à poser. Leur nom transgressif mais souriant, emblématique de l'esprit d'un créateur jonglant habilement entre les références à la culture populaire et celles de l'excellence, provient de leur longue forme élancée en tube.

*Les Clopes* consists of floor lamps and table lamps. Their transgressive yet cheerful name, emblematic of the spirit of a designer skillfully juggling references to popular culture with those of excellence, comes from their long, slender tube shape.
