

## LES CO

DESIGNED BY JOSÉ LÉVY

Avec leur corps et leur tête cylindriques et minimalistes, la série des *Co* est celle qui reflète avec le plus de fidélité l'inspiration des « Kokeshis » de la collection « *Clopes and Co* » de José Lévy. Cette famille de lampes à poser, de différentes tailles, est constituée de bois ou de métal et la partie supérieure, de verre opale.

With their minimalist, cylindrical bodies and heads, *Les Co* series is the one that most faithfully reflects the inspiration of the “Kokeshis” in the « *Clopes and Co* » collection by José Lévy. This family of table lamps, in various sizes, is made of wood or metal, with the upper part in opal glass.
