

HAUSSMANN

DESIGNED BY JOSÉ LÉVY

Les appliques *Hausmann* s'inscrivent dans l'ancrage parisien de José Lévy et son héritage haussmannien. Dans un travail de « déconstruction » de ce style iconique, le designer a détourné le motif ornemental des moulures intérieures pour sculpter la base de ces appliques.

The *Hausmann* wall lights are part of José Lévy's Parisian roots and his Haussmannian heritage. In a process of 'deconstruction' of this iconic style, the designer has reinterpreted the ornamental motif of interior mouldings to sculpt the base of these wall lights.
