

# PIROUETTE

DESIGNED BY ÉMILIE CATHELINÉAU

*Pirouette* est une petite applique singulière, à la fois décorative et fonctionnelle. La rotation à 360° de son faisceau lumineux et sa variation tactile en font une applique de chevet idéale. Elle trouvera également sa place en répétition dans un couloir pour guider le passage.

*Pirouette* is a unique little wall lamp, both decorative and functional. The 360° rotation of its light beam and its touch-sensitive dimmer make it an ideal bedside wall lamp. Several positioned along a corridor will also provide useful lighting.
